

ePub and eAudiobooks On Android Phones and Tablets

Before you begin:

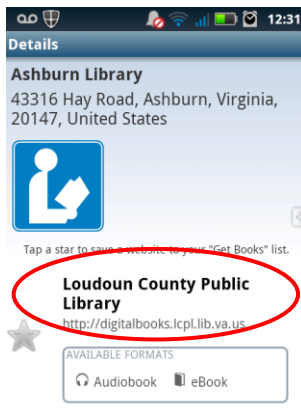

- Please sign up for an Adobe account at adobe.com and have your account login info handy.
- Download the **OverDrive Media Console App** available through the Play store or <http://www.overdrive.com/software/omc/>
- Open the app and hit the **Menu** button on your device, then tap **App Settings** and authorize the app with your Adobe account.

1. Open the OverDrive app.
2. Hit the **Menu** button on your device. Tap **Get Books** then **Add a Library**
3. Search for “Loudoun” or use a local zip code. Choose any library branch.
4. Tap on **Loudoun County Public Library**.

5. You will be redirected to the OverDrive website.

If you are using a Smartphone you will see only EPUB format eBooks and MP3 eAudiobooks. If you are using a tablet you will see Kindle, EPUB, and MP3 formats. Turn page over for instructions on getting Kindle books on your phone or tablet.

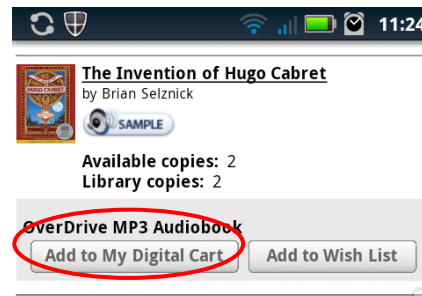

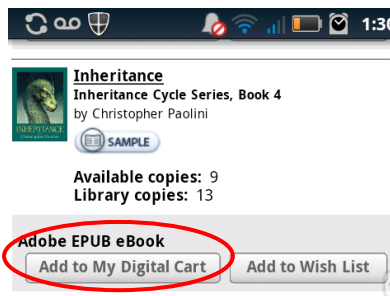

6. You may now tap the **Browse** or **Search** option.

Search Tip:

You may limit your search to see titles ready for check out by checking the **Available Now** box.

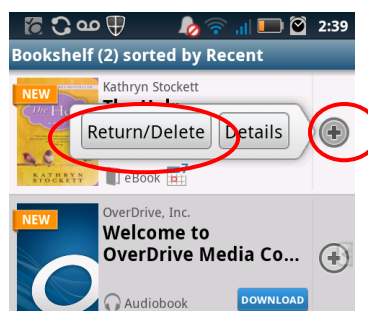

7. Select your book by tapping **Add to My Digital Cart**. Then tap **Proceed to Checkout**. You may check out EPUB or MP3 books.

8. Type in your library card number. Then tap **Confirm Checkout**.
9. Tap on **Download**. The OverDrive App will open and the book will be downloaded.

To return eBooks early or to remove them from the device:

- Open the OverDrive app and go to the **Bookshelf**.
- Tap the **plus** sign. Tap “Return/Delete” to return items early.
- You will have the option to “Return then Delete” or “Delete Only”

Kindle eBooks On Android Phones & Tablets

Before you begin:

- Please sign up for an Amazon account at amazon.com and have your account login info handy.
- Download the **Kindle App** available through the Play store or the Amazon Appstore.
- Open the app and register it with your Amazon account.

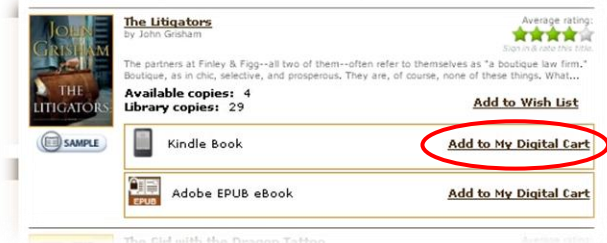

ANDROID PHONES

In order to get Kindle books from the library on your phone you will first need to use a computer or tablet to deliver them to your Amazon account.

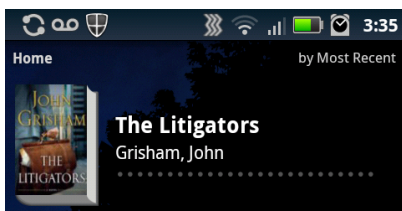

1. Go to library.loudoun.gov on a computer or tablet.
2. Click on [eBooks](#) on the green banner at top right.
3. Click on the box that says OverDrive.

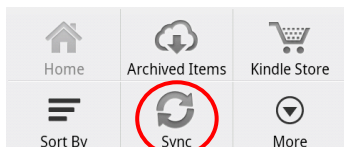

4. When the smaller window pops up, click on the OverDrive logo again.
5. You may now browse or search for books.
6. Select your book by clicking **Add to My Digital Cart** on the Kindle format. Then click **Proceed to Checkout**.

7. Type in your library card number. Then click Confirm Checkout.
8. Click on **Get for Kindle**. You will be directed to the Amazon.com website. Sign into your Amazon account and choose your phone from the drop down menu.
9. Get out your phone and open the Kindle App. Your book should automatically download.

10. If you don't see it appear tap the **menu** button and hit **Sync**.

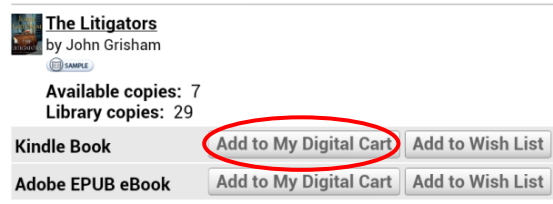

ANDROID TABLETS

You can get Kindle format books from the library on your tablet through the library's Overdrive website.

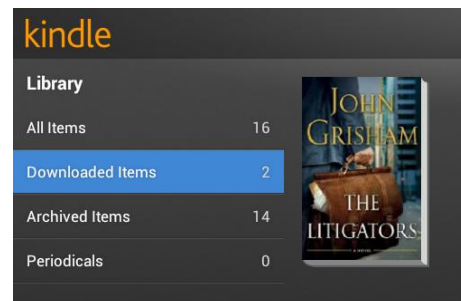

1. Go to library.loudoun.gov on your tablet.
2. Tap on [eBooks](#) on the green banner at top right.
3. Tap on the box that says OverDrive.

4. When the smaller window pops up, tap on the OverDrive logo again.
5. You may now browse or search for books.
6. Select your book by tapping **Add to My Digital Cart** on the Kindle format. Then tap **Proceed to Checkout**.

7. Type in your library card number. Then tap Confirm Checkout.
8. Tap on **Get for Kindle**. You will be directed to the Amazon.com website. Sign into your Amazon account and choose your tablet from the drop down menu.
9. Open the Kindle App. Your book should automatically download.

10. If you don't see it appear tap the **menu** button and hit **Sync**.
